

For Immediate Release

Albury Brothers Boats Opens New Office in Charleston, South Carolina

RIVIERA BEACH, FL June 12, 2018 - To better serve clients in the Carolina's and Georgia, Albury Brothers has opened a office at Charleston City Marina. Our office is a shingled, floating, house boat located towards the end of Mega Dock. We share this office with Captain's Choice Yachting.

To inaugurate our new location, a brand new Albury Brothers 33 is on display and moored alongside the office. This boat is available for inspection, Charter or sea trial. She will remain on display at City Marina at least through June. After that, we will start construction on a 27 to be based at our Charleston location.

Albury Brothers is pleased to announce our association with Captain's Choice Yachting. Heath Hackett and Jason Corley, of Captain's Choice Yachting, will be representing and caring for our boats full time, and glad to assist when Albury Brothers personnel are not on site. Captains Choice Yachting has been built over the years on first class yacht care.

Jeff Lichterman, President of Albury Brothers said, "We are excited and pleased to have this opportunity. Our boats have a nice following in the Low Country, North Carolina and Georgia...especially Charleston. Having a central location in Charleston will allow prospective clients to inspect and sea trial our boats, without having to travel to West Palm Beach, and have local support."

Albury Brothers Boats are built in Man O' War, Abaco, Bahamas and Riviera Beach, Florida. For additional information, contact Jeff or Adam Lichterman at 561-863-7006, or info@alburybrothers.com, or visit our website www.alburybrothers.com
